2025 MISSION & VISION

In order to align all government agencies and departments, the formally established mission statement is “to advance our people’s quality of life through stable, compassionate governance.” Similarly, the vision statement for the Administration is “an empowered CNMI community building a safe and abundant life with generational opportunities.”

PAKPAK BEACH PARK MILESTONES

The **Office of Grants Management** has reported that the San Antonio “Pakpak” Beach Park Project has reached a major milestone with the pouring of the pavilion foundation base on December 26, 2024. MB Tech Micronesia has successfully completed the concrete pour for three of the four pavilions. The foundation for the fourth pavilion remains pending due to ongoing archaeological monitoring, as there is a possibility of a cultural deposit in the area.
